Re: Devils Gate Ranch Field Trip and Elko County Commission Meeting

Dear Chairman Guttry:

Thank you and the Elko County Commission very much for the tour of the Devils Gate Ranch, and for inviting me to the June 6, 2013, Elko County Commission meeting. Both events provided me with the opportunity to hear Elko County Commission's concerns relative to sage-grouse management, predator control, and other wildlife related matters. I appreciate the board's questions from the meeting and tour and will seek to provide the answers to the specific concerns expressed for which I did not have an answer at the meeting. I look forward to extended opportunities to improve NDOW's relationship with the Elko County Commission.

Also, as I stated, please do not hesitate to contact me at (775) 688-1599 with any future concerns or needs that I may be able to provide the Elko County Commission with assistance.

Sincerely,

RE: Invitation to Meet with the Elko County Commission

Dear Mr. Wasley:

Congratulations on your appointment by Governor Sandoval as the Director of the Nevada Department of Wildlife. As you know, wildlife management issues are of great importance to Elko County and the County Commission looks forward to working with you and your staff on these issues.

We extend to you an invitation to return to Elko County and discuss issues involving NDOW activities, policies and actions. The County Commission is very interested in issues related to the Sage Grouse Conservation Strategy in Nevada and in particular is interested in the role of predator control as part of the proposed solutions. We feel that you can shed some light on this and other issues as Director of the Department of Wildlife. We would like to give you an update on our Sage Grouse Conservation Pilot Project in cooperation with the Devils Gate Ranch that we believe will exhibit positive benefits to the management of the species.

Upcoming regularly scheduled Commission Meetings are set for the afternoons of May 1, 2 & 15, and June 5, 6 & 19. Our invitation includes the offer to setup a special meeting with you, if these dates will not work. Please contact Rob Stokes, Elko County Manager, at 775-738-5398 or rstokes@elkocountynv.net with available dates and times. We look forward to meeting with you soon.

Sincerely,

Glen Guttry, Chair
Elko County Board of Commissioners
