

NOTICE OF PUBLIC WORKSHOP

NOTICE IS HEREBY GIVEN that the Building & Safety Division for the County of Elko, State of Nevada, will be conducting public workshops in February 18 -21, 2020, to review the 2018 Codes that govern the minimum construction standards for proposed adoption. The following meetings will be scheduled to review the codes:

- The International Building Code (IBC) that addresses commercial/industrial construction.
- The International Residential Code (IRC) that addresses one and two family dwellings as well as townhouses.
- The International Existing Building Code.
- The International Energy Code. (For Review)
- The National Electrical Code (NEC) that addresses electrical installations.
- The Uniform Mechanical Code (UMC) that addresses mechanical equipment installations.
- The Uniform Plumbing Code (UPC) that addresses plumbing installations.

All interested parties are encouraged to contact us and let us know which code meeting(s) you would like to attend. Please e-mail Thomas Ingersoll at tingersoll@elkocountynv.net and a packet related to the meeting(s) that you are interested in will be sent to you for your review. The packets contain the analysis of the codes from the 2018 codes provided by WC3 that identifies the major changes and a copy of the Northern Nevada Amendments applicable to Elko County.

The workshops are planned to be held at the Nannini Administration Building, 540 Court Street, Suite 102, Elko, Nevada to review the codes and amendments.

All interested persons may attend and be heard. Oral and written comments may be submitted by interested persons.
